

# Waves of Light!

## Women's Retreat at the Beach!

*Evening brings fresh summer breezes.  
We emerge to dance on the beach in the light of the setting sun.  
Joyfully, we run into the warm water together, laughing, welcoming stars and moon.  
Opening to the Mystery, we shine in the flowing!  
What new Wisdom may arise from our circle?*

**Mariam Baker, Yasmin Scott, & Farrunnissa Rosa  
are our inspired guides**

**Thu-Sun June 13-16 2024, Trinity Center, Salter Path, NC**
