

Waves of Light: A Women's Retreat on a North Carolina Island at Mother Ocean Thursday-Sunday June 11-14 2026

with Mariam Baker, Yasmin Scott, and Farrunnissa Rosa

Please PLAN NOW to Join Us at the Beach!

Evening brings fresh summer breezes.

We emerge to dance on the beach in the light of the setting sun.

Joyfully we run into the warm water together, laughing, welcoming stars and moon.

Opening into the Mystery, we shine in the flowing!

What new Wisdom may arise from our circle?

Come help prepare the feast, then savor the restorative refreshment!
